

## PRESS RELEASE

Paris, 23 March 2015

### **SOCIETE GENERALE LAUNCHES AN INTEGRATED SECURITY SOLUTION FOR INTERNATIONAL TREASURERS TO APPROVE PAYMENTS ON THE GO**

Societe Generale has created a new mobile app with a built-in security solution aimed at providing its corporate clients with a secure and simple mobile app for approving payments on Smartphone or tablet.

Secure Access allows Sogecash Web clients to sign their orders with the Sogecash Web mobile app in a secure way wherever they are. The solution is a software app which allows users to confirm their identity and validate orders with enhanced security. The signature process on Smartphones and tablets is thus seamless and simple for clients. This app is available on Apple and Android Smartphones and tablets.

This illustrates the commitment of the cash management teams to supporting businesses thanks to innovative solutions aimed at making daily operations easier. Operating on every continent, Societe Generale's cash management network has some 6,000 experts and provides cash management solutions in more than 70 countries covering domestic and international services. Its specialised services and solutions are available in more than 130 currencies.

The [www.cashmanagement.societegenerale.com](http://www.cashmanagement.societegenerale.com) website was launched in September 2014 in order to provide treasurers, from SMEs to large multinationals, with information, analyses, case studies and expert opinions.
