PRESS RELEASE

Groups BNP Paribas, Crédit Agricole, Dexia and Société Générale, and the Caisse des Dépôts, have concluded the shareholders' agreement entered into 12 April 2006, whose objective was to co-ordinate their positions in advance of Euronext NV's general meetings, in particular concerning strategic decisions which would be adopted there.

This agreement was to expire on 31 December 2006.

The context in which this agreement was originally entered into having significantly evolved, the concerned parties have decided to terminate it with immediate effect, and to vote individually at the next general meeting of Euronext NV.
