Societe Generale Securities Services wins award for “Securities Services Provider Europe” at Financial-i Awards

Societe Generale Securities Services (SGSS) has won the award for “Securities Services Provider Europe” for the second consecutive time in Financial-i * magazine’s “Leaders of Innovation” Awards.

This award recognises SGSS’ innovative projects over the last year to strengthen its product offerings, enhance operational efficiency and expand its global network.

Criteria considered for the award included:

- solution innovations over the last 12 months, including new solutions or enhancements to existing functionality;
- depth and breadth of functionality;
- the extent to which a solution differentiates a provider from its peers;
- the ease with which customers can implement and interface with these solutions;
- the extent to which these solutions help companies address issues such as increasing automation, enhanced liquidity management.

The judges for the Financial-i Awards included industry analysts, consultants and practitioners. Winners were selected using Financial-i’s proprietary research and feedback from the awards advisory panel.

** Financial-i is a quarterly magazine that covers banking and finance and advances in technology behind these functions.*
